July 2009

JULY IS... AN UNDERWATER ADVENTURE!

Let's dive in
and learn
about some
of the

animals that call the ocean their home. As we walk along the beach we may spot some tide pools as well as some shells. We will wonder who used to live in this shell and where are they now? We will then dive deeper into the ocean and see what lives deep beneath the sea. We may see sharks, whales and even a school of fish. We will also enjoy some interesting ocean snacks, such

as fish sticks,
octopus hotdogs,
shark fruit snacks
and of course

goldfish crackers.

LAST DAY OF SCHOOL

On our last day of summer school, July 23rd, we will have water play day, (weather permitting). Your child may wear or bring their swimsuit to school this day. Please have your child bring a towel with his/her name on it and a bag marked with their name also so that we can better keep track of their personal items. We are also going to enjoy a BBQ for snack to close out our summer school session.
