THE RAIN FOREST

God created many animals to live in his world. Today, some of these animals are disappearing from the earth. We will talk about some of the animals in danger as well as learn about the different layers of the rain forest. At the very top is the Emergent layer, the Canopy is the next layer down, then comes the middle layer "the under story". The forest layer comes next and at the very bottom is the underground. Each layer has its own special environment that provides plants and animals with the necessary kind of food, climate, and shelter they need to survive.

HOLIDAY

The school will be closed on **Monday Oct 14th** for Indigenous People's Day, Columbus Day.

ANIMAL PARTY

We will end this month with a rain forest animal party. We ask that the children dress up as an animal that you might find in the rain forest. We will play games and have a special snack. We will also have a parade starting at 9:00 A.M. We encourage parents/grandparents to stay because it is a great photo opportunity as well as a chance for us all to see the creative costumes the children will be wearing.

Party Dates are:

MWF	Wed	Oct 30 th
TTH & 5 day	Thurs	Oct. 31 st

DINNER NIGHT OUT

Please join us for a dinner night out at Mendocino Farms here in Vacaville, from 2-9 p.m. It is **Tuesday October 15**. The preschool will receive 30% of the food sales for the day. You must present or show the attached flyer for us to get credit for your purchase. We will have extra flyers on the bulletin board if you would like to share the flyers with neighbors, friends or family. It is a great time to get to know other families in the preschool while enjoying good food.
