November 2024

November is... Fall and Thanksgiving

Thanksgiving is a holiday that holds memories for us as adults. One of the first things we think of is the wonderful smells we smell coming from the kitchen. As the menu is prepared, we may enjoy our families special recipes, which have been passed down from generation to generation. What a wonderful opportunity to involve your child in “cooking up” a family tradition. As you plan your Thanksgiving Day dinner include your child in the preparation and cooking. Children love to pour, measure, stir and even set the table.

Here at school this month we have planned a variety of cooking projects. We will talk about fall and some of the foods that are associated with this time of year.
